ORDER:

In the letter read above, the Chief Engineer, Minor Irrigation, Hyderabad, has submitted an estimate for the work “Repairs to Venkatadri Kunta, Kamalapuram Village, Mudigonda Mandal, Khammam District”, to accord administrative approval for Rs.19.13 lakhs under Normal State Plan stating that the above tank is having an ayacut of 52 Acres. The bund of the above tank is fully covered with juliflora jungle and top levels are far below the TBL and slopes are eroded badly. The LF, RF sluices require pile walls for arranging SG Shutter. The L.F weir body wall is badly damaged and leaking heavily. At down stream of RF weir body wall there is no apron for protection during floods. The Channel banks of IC No.1 & 3 are badly damaged due to which water is leaking heavily and not reaching the tail end ayacut. As per the site conditions, the channel banks are breaches, rat holes are formed thus the channel is not to section. Due to this, water is entering the fields and causing loss to crops. Hence, farmers are requesting for permanent CC guide walls. Hence, the Chief Engineer, Minor Irrigation, has proposed to construct guide walls at vulnerable reaches only. Further, he has stated that an amount of Rs.66,443/- required for the component of jungle clearance is proposed to be taken up under MGNREGP. Hence, he has requested to accord administrative approval in the matter

2. Government, after careful examination of the matter, hereby accord administrative approval for Rs.19.13 Lakhs (Rupees nineteen lakhs and thirteen thousand only) for the work “Repairs to Venkatadri Kunta, Kamalapuram Village, Mudigonda Mandal, Khammam District”.

3. Out of the amount sanctioned in para 2 above, an amount of Rs.18.46557 Lakhs shall be debitale under Head of Account “4702 MH 101 – Surface water – GH 11 Normal State Plan – SH (21) Restoration of MI Tanks – 530 Major Works / 531 Other Expenditure”.

4. The Rural Development Department have agreed to include an amount of Rs.66,443/- for the component of jungle clearance under Shelf of Projects to take it up under MGNREGP. Hence, the remaining amount of Rs.66,443/- shall be taken up under MGNREGP funds.

5. The Chief Engineer, Minor Irrigation, Hyderabad, shall take further action accordingly.
